### **Turtle Races:**

Turtle 25m events will be held on Saturday after the I.M. events and on Sunday after the Backstroke events. Saturday will be Freestyle and Sunday will be Backstroke. Turtles must be registered with their home club and they must be registered for the meet using Hy-tek. Ribbons will be presented to all.

### **Rules:**

All BCSSA rules apply or as the Meet Manager deems fit and fair. Hytek Meet Manager software will be used to 'crash' times. All individual events, except Div 7 and Div 8, will be heats and finals. Relays plus Div 7 and Div 8 will be timed finals. Div. 7 and 8 will swim in the morning and Relays at the end of the day. Swimmers may enter any 4 individual events plus relays. Swimmers wishing to swim more than four individual events may swim as "exhibition" for the additional events and will be seeded in outside lanes for those "exhibition" events. Exhibition swimmers will swim in the heats only and cannot advance to the finals or consolation finals. For swimmers in Division 1-4 there will be Consolation Finals, if there are more than 8 swimmers in the heats. "O" swimmers may swim in the finals or consolations of their event provided a lane is available. "O" swimmers will not displace an "S" swimmer in either a final or consolation

### **Awards:**

Ribbons will be awarded to top six swimmers in Division 5-8 and all relays. In Division 1-4, ribbons will be awarded to top 12 swimmers. Aggregate medals will be awarded for girls and boys in each division. Team awards will be Top Girls team, Top Boys team and Top Overall Team.

### **Officials**

As for all swim meets, we rely on the active volunteerism of all parents. Please do your part! An officials meeting will be held during warm-ups each morning, and new officials are more than welcome to attend. Clubs will, of course, also be volunteering their time as timers, lane judges, and other areas.
